

NOTICE TO COMMUNITY

Phase 1: Limited Access

The following (modified) measures will be enforced during Phase 1:
Effective – Thursday, May 7th, 6:00pm

Access to the Community

- ONLY those persons who are current residents within the reserve boundaries of Biigtigong.
- There will be absolutely NO visitors allowed
- Everyone will be subject to the screening protocols and be required to comply with any recommended course of action.

Access to the Post Office

- Individuals and businesses situated off-reserve will continue to have access to their post-office boxes.
- Only the owner of the PO Box will have access to the post office; no other person is allowed in the vehicle when retrieving their mail.
- Individuals will not have access to any other part of the community.
- They will be subject to the protocols established by the management of Bud & Cando's Gas Bar.
- Access is limited to 1 trip per day.

Off-Reserve Biigtigong Member Access

- Biigtigong off-reserve members CANNOT enter the community for any purpose including visiting.
- Members returning to the community to reside will be subject to screening protocols and be required to follow the recommended course of action.

Off-Reserve Biigtigong Employee Access

- Only those employees deemed essential will be granted access at this time
- All employees will be subject to health and safety protocols outlined by Biigtigong Nishnaabeg and be subject to screening upon entry.

Access for Pukaskwa National Park employees

- Pukaskwa National Park will provide a list of employees requiring access to the park for work.
- These individuals will be subject to our screening protocols.
- They will not be allowed to enter the community; they will go directly to the park via Highway 627

Access for Emergency Services

- Emergency services such as: Ambulance, Fire, Police, etc. will be allowed access.
- Home service providers such as: Plumbers, Electric and Heating providers will be allowed access for emergency work only.
- These individuals will be subject to screening protocols and will be required to follow the recommended course of action.

Leaving the Community

- Biigtigong residents will be allowed to leave the community for the purpose of the following:
 - Purchasing groceries and/or supplies
 - Traditional harvesting within the respected Traditional Territory
 - Urgent medical appointments
 - Purpose of employment
- Only 1 person per household will be allowed to leave for the purpose of shopping – with respect to the protocols set out by the local grocery store.
- We encourage all children, elders and the other vulnerable individuals to remain home.
- Individuals will be subject to screening protocols upon reentry to the community and will be required to follow the recommended course of action.

Compliance & Conflict

- Failure to comply will result in the involvement of APS and/or the OPP.
- Any complaints shall be put in writing and forwarded to the Emergency Response Team (ert@picriver.com)
