

Yangamizan ezhi aabiji-  
tooyan maskkiki!

Mino aabijitoon apane

Whether it's a cold medicine  
off the shelf or something  
you take for your heart...

... medicines can help  
or hurt...

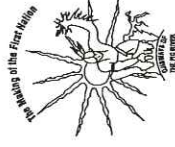

Be careful how you use  
medicine! Always use it  
right.

This project has received financial  
support from the Government of  
Ontario, Aboriginal Healing and  
Wellness Strategy.
